

Roxanne Miller

brings business into focus

Delight your audience with a presentation by Roxanne Miller. The 'Requirements Super Freak,' Roxanne's information-packed, high-energy sessions are always a crowd pleaser. She delivers practical advice and real-world stories from her work with state universities, government agencies and *Fortune* 500 enterprises.

Roxanne shines as a keynote presenter, workshop leader and seminar speaker. She tailors the presentation to your specific audience needs and has ready-to-go material on the following topics:

- Facilitation Strategy for Handling Problem People
- Understanding Nonfunctional Requirements
- Six Steps to Mastering Stakeholder Profiling
- Ask Good Questions. Get Better Results.

"Roxanne is an outstanding instructor and presenter. Her evaluation scores are consistently the highest... The incredible thing is that her extraordinary public speaking skills and audience engagement only run a close second to her knowledge of Business Analysis content. She is an absolute pleasure to work with and I highly recommend her for any speaking engagement."
- Adam R. Kahn, Chief Operating Officer, Rising Media

Roxanne has been consulting on requirements management practices for over 20 years. She is a Certified Business Analysis Professional and an active member of the IIBA®. Her book, *The Quest for Software Requirements*, is an in-depth reference guide with over 2,000 elicitation questions and a tested framework to help individuals make their project work more efficient and effective. Roxanne is an MIS graduate from the University of Wisconsin-Eau Claire.
